

## Team Involvement in Demonstration

|               |                                                |
|---------------|------------------------------------------------|
| Date          | 29 September 2026                              |
| Team ID       | SWTID-2026-1551                                |
| Project Name  | Auto Ticket Classification Using Flow Designer |
| Maximum Marks | 1 Mark                                         |

### Team Involvement in Demonstration:

This document records the active participation and roles of each team member during the demonstration of the Auto Ticket Classification Using Flow Designer project. It ensures that every member contributes meaningfully to the presentation and that responsibilities are distributed fairly and clearly.

| S.No | Team Member Name | Role in Demo | Section Presented | Contribution Summary | Participation (Active / Passive) |
|------|------------------|--------------|-------------------|----------------------|----------------------------------|
| 1    |                  |              |                   |                      |                                  |
| 2    |                  |              |                   |                      |                                  |
| 3    |                  |              |                   |                      |                                  |
| 4    |                  |              |                   |                      |                                  |
| 5    |                  |              |                   |                      |                                  |
| 6    |                  |              |                   |                      |                                  |

### Team Coordination Notes:

| Aspect                                 | Details |
|----------------------------------------|---------|
| Team Leader / Coordinator              |         |
| Overall Team Coordination Rating (1-5) |         |
| Any issues during demo                 |         |
| How issues were resolved               |         |
